Mon. nite - May. 10th

Precious Parents;

We are in a wet world again to-night. Began to rain during church last night & continued almost continually until after dark to-night. Don't know whether this wind will bring more rain or clear skies.

Rec'd. your precious letter of Feb. 28th or Mar. 1st. Virginia I really enjoyed it. It was raining that day also.

Have also had 2 cards from the Bachs - one from Salt Lake City & one from Clev., Ohio. Remond wrote the second one. So sweet of you to wish to shield their confidence in you. God will bless you for it. Do pray much for the children. It is easier to make mistakes than to act wisely. They are precious to us.

Wishes for you so much yesterday. Wishes have been taken for the birthday. Lovingly, Clew & Ray
